

# HEALTH, COUNSELING AND WELLNESS

---

Bentley University supports the overall health and well-being of its students. The Centers for Health and Community Wellbeing and Health Promotion (<https://www.bentley.edu/university-life/student-health/>) provide health and wellness services, and the Counseling Center provides mental health services. The Centers for Health, Counseling, and Wellbeing work collaboratively to prepare students to thrive while at Bentley and throughout their lives.

## **The Health Center**

Confidential health care is available to all full-time Bentley students through the Health Center, with the cost primarily covered by tuition. The Health Center (<https://www.bentley.edu/university-life/student-health/health-center/>) provides a wide variety of services to all Bentley students.

University Police may be called in the event of an emergency at 781.891.3131; they will provide emergency response and transportation or call an ambulance if necessary. University Police is available 24 hours per day, seven days per week, at 781.891.2201 (for emergencies: 781.891.3131).

The Community Wellbeing and Health Promotion (<https://www.bentley.edu/university-life/student-health/wellness-prevention/>) staff provides programs, confidential services, and skill-building on common health topics and experiences that can get in the way of student success.

All full-time students must submit a medical history form and immunization record to Bentley.

## **Counseling Center**

The Counseling Center (<https://www.bentley.edu/university-life/student-health/counseling-center/>) is staffed by psychologists and doctoral interns who can meet with students experiencing a range of adjustment, stress, and mental health-related issues.

The office is accredited by the International Association of Counseling Services and abides by the ethical standards of the American Psychological Association.
