

CAREER DEVELOPMENT (CDI)

CDI 502 Career Design Intensive (0 credits)

Pre-Req: CDI 501

During this free 4-week, non-credit bearing course, Bentley Graduate Students will combine their Gallup Strengths Assessment and Career Design Methodology to prepare for their future. By the end of the course, Graduate students will have developed two or more 3-5 year plans to design their future to meet their career goals through a step-by-step process.

Typically Offered: Fall and Spring
