

GLOBAL BUSINESS EXPERIENCE (GBE)

GBE 790 Global Business Experience (3 credits)

Global Business Experiences are faculty-led courses that last from 10 day to 2 weeks and offer an intensive look at business or cultural practices in a country abroad. These courses are usually offered in January during semester break, in March during Spring Break or in May at the start of the summer semester. Students visit companies daily and meet with business leaders and government officials to further their global mindset and cultural awareness. Through immersion in the business practices of another region, students gain valuable professional skills and develop a stronger bond with their classmates that will benefit them throughout the remainder of their graduate study.
