

GRADUATE STUDENT ORGANIZATIONS

Graduate Student Association (GSA) and Affiliated Graduate Student Organizations

The mission of the Graduate Student Association is to create a professional and social environment that promotes personal and professional growth for all graduate students; influence graduate school policies that enrich the graduate school experience socially, academically, and professionally; and unify students in the commitment to build relationships that establish a strong network in the business world. Each event hosted by the GSA and affiliated graduate student organizations provides an opportunity to connect with classmates through clubs and organizations tied to your personal and professional interests.

Participating in a student organization teaches valuable skills in leadership, teamwork, and collaboration. The Graduate Student Association (GSA) is a recognized student-governing body for the graduate school which aims to better the university environment by representing all graduate students at Bentley. GSA plans events, administers the graduate student activity fee, and oversees a roster of affiliated graduate student organizations that focus on academic programs and disciplines, leadership development, philanthropy, and cultural affiliation and celebration. The GSA represents graduate students on Bentley administrative committees and on the Graduate Council, which is responsible for institutional policies and curricula. Visit the GSA website (<https://www.bentleygsa.com/>) for more information and links to the GSA's active affiliated graduate student organizations.
