

UNIVERSITY CATALOGUE

2023-2024 Undergraduate Catalogue (catalog.bentley.edu/undergraduate/) 2023-2024 Graduate Catalogue (catalog.bentley.edu/graduate/)

Bentley University reserves the right to modify or amend curricula and catalogue content, and change or modify aspects of university operations, as well as increase tuition and other charges without notice. Policies and regulations may be amended from time to time without notice by action of the responsible bodies or persons. The information on this website and in the course catalogue PDF is accurate as of the date of publication. Discrepancies may exist between website and PDF content.

A student's catalogue year refers to the student's first year of study at Bentley University (Summer/Fall/Spring). If you initially enrolled in the summer term, you will look at the catalogue for the subsequent fall term (e.g., first term is Summer 2021, you would reference the 2021-2022 Catalogue). Degree requirements and academic policies are published annually in the Undergraduate and Graduate Catalogues as requirements may change from year to year. Please refer to the links below to find your academic catalogue:
