

STUDENT AFFAIRS

The university experience extends far beyond academics. The years spent in college are a time when students learn to exercise a new level of independence and assume responsibility for many decisions that will affect their personal lives, their careers, their futures, and their communities.

The Division of Student Affairs (<http://www.bentley.edu/campus-life/student-life/division-student-affairs/>) provides many opportunities through Student Life (<http://www.bentley.edu/campus-life/student-life/>) and nurtures such growth through a wide variety of programs and services, both in and out of the classroom.

Living on Campus

The campus is more than just a place to live — it supports a community that broadens the educational experience and promotes the personal growth of Bentley students.
