

LANGUAGE, CULTURE, AND BUSINESS MAJOR: SPANISH (B.A.)

The Language, Culture, and Business (LCB) Spanish Major is designed to prepare students to use their language and culture skills and knowledge in their professional careers, both in the United States and abroad. Bentley's LCB Spanish Major focuses on practical applications of the Spanish language and the study of world cultures—including the culture of business in other parts of the world. Our LCB Spanish Major provides an excellent opportunity to hone language skills while preparing students for the challenges and rewards of an international career. Our curriculum includes advanced grammar courses in composition and conversation, translation courses, and language for business courses, as well as classes on film, literature, and other forms of cultural production. The major is designed for students of Spanish of all levels.

The LCB Spanish Major consists of eight courses (24 credits). An applied Learning Experience is required, which may be fulfilled by:

- Spending at least a full semester in a Spanish-speaking country.
- Completing an internship (ML 421).
- Taking MLSP 205 or a faculty-led course to a country where Spanish is spoken.
