

PUBLIC POLICY MAJOR (B.A.)

The realm of public policy encompasses virtually all aspects of contemporary society—economic development, financial markets, health care, education, poverty, crime, the environment, technology, national security, and immigration. These complex and often connected issues increasingly demand a rich and sophisticated understanding of the actions of governmental institutions and the motivations of political actors and other stakeholders in a global political environment. Businesses, nonprofit and non-governmental organizations, interest groups, academic and legal experts, and the public at large all play a role in shaping public policy priorities, implementation of public policies, and the evaluation of policy outcomes.

A major in Public Policy prepares students for work in all types of organizations and sectors of the job market: federal, state, and local governments; nonprofit organizations; and private-sector corporations.

For further information about degree requirement policies and guidelines, see the Degree Requirements (catalog.bentley.edu/undergraduate/degree-requirements/) page.

Major Requirements

Course	Title	Credits
Required Courses		
GLS 230	Politics and Public Policy	3

ST 113	Business Statistics	3
Total Credits		18

Communication Intensive

All students are required to take a three-credit course designated as a Communication Intensive. This requirement can be met within a variety of course subjects in both Arts & Sciences and Business. Communication Intensive courses are designated with a "CI" in the course schedule. *Transfer students with a minimum of 30 credits will be waived from the Communication Intensive requirement.*

Please note that certain majors have an additional three-credit Communication Intensive built into their major requirements, separate from the general CI requirement.

Additional Requirements

Modern Language Requirement (6 Credits)

Course	Title	Credits
Two Modern Language courses (must be two semesters of the same language, regardless of proficiency level)		6
Total Credits		6

Unrestricted Electives (39 Credits)

Course	Title	Credits
Select 13 elective courses		39
Total Credits		39

Total: 120 Credits
