

BACHELOR OF SCIENCE DEGREE PROGRAMS

The Mathematical Sciences and Natural and Applied Sciences departments offer BS degrees for students who are interested in blending a strong background in the sciences with their study of business.

- Actuarial Science Major (B.S.) (catalog.bentley.edu/undergraduate/programs/arts-sciences-programs/bs-degree-programs/actuarial-science-major/)
- Data Analytics Major (B.S.) (catalog.bentley.edu/undergraduate/programs/arts-sciences-programs/bs-degree-programs/data-analytics-major/)
- Health Industries (B.S.) (catalog.bentley.edu/undergraduate/programs/arts-sciences-programs/bs-degree-programs/health-industries-major/)
- Mathematical Sciences Major (B.S.) (catalog.bentley.edu/undergraduate/programs/arts-sciences-programs/bs-degree-programs/mathematical-sciences-major/)
- Psychology Major (B.S.) (catalog.bentley.edu/undergraduate/programs/arts-sciences-programs/bs-degree-programs/bs-psychology/)

Students in these majors are required to complete a Business Administration Minor, which creates a desirable combination of strong quantitative skills paired with knowledge of core business disciplines.

The Business Administration Minor

All students are required to complete the courses for a Business Administration Minor (15-18 credits).
