### Policy on Business Administration Minor

All students will automatically be enrolled in a Business Administration minor. In order to graduate with a designated minor, a student must earn a 2.00 GPA for the courses comprising the minor. All Bentley students are required to successfully complete the courses for the Business Administration minor (grade of D- or above), no matter what major(s) they select, as part of their requirements. Students who pass the required courses for the Business Administration minor, but do not meet the minimum required 2.00 GPA, will have the minor removed as a program of study prior to being awarded an undergraduate degree.
