

# LANGUAGE, CULTURE, AND BUSINESS MAJOR: ITALIAN (B.A.)

The Language, Culture, and Business (LCB) Italian Major is designed to prepare students to use their language and culture skills and knowledge in their professional careers, both in the United States and abroad. Bentley's LCB Italian Major focuses on practical applications of the Italian language and the study of world cultures—including the culture of business in other parts of the world. Our LCB Italian Major provides an excellent opportunity to enhance language skills while preparing students for the challenges and rewards of an international career. Our curriculum includes advanced grammar courses in composition and conversation, translation courses, and language for business courses, as well as classes on film, literature, and other aspects related to language and culture. The major is designed for students of Italian of all levels.

The LCB Italian Major consists of eight courses (24 credits). An applied Learning Experience is required, which may be fulfilled by:

- Spending at least a full semester in Italy.
- Completing an internship approved by the ML Department.
- Taking MLIT 205 or a faculty-led course to a country in Italy.

For further information about degree requirement policies and guidelines, see the Degree Requirements ([catalog.bentley.edu/undergraduate/degree-requirements/](http://catalog.bentley.edu/undergraduate/degree-requirements/)) page.
